

The New Dolphin™ Smart Stirrups

The New Dolphin™ Smart Stirrups are designed for effortless, optimal lithotomy positioning. Similar in design and usability to the market leader but with new added features.

+ Non-velcro silicon straps

supporting improved infection control

+ Flexible Boot

to accommodate larger patient calves

+ Clearly visible scale

for simplified symmetrical alignment

+ Soft memory foam padding

reduces risk of pressure injury and compartment syndrome

Higher weight capacity compared to market-leading stirrups

Available in 180kg & 250kg patient weight
