

**Patient positioning:
our promise to you**

The New Dolphin™ Smart Stirrups

The New Dolphin™ Smart Stirrups are designed for effortless, optimal lithotomy positioning. Similar in design and usability to the market leader but with new added features.

+ Non-velcro silicon straps

supporting improved
infection control

+ Flexible Boot

to accommodate larger
patient calves

+ Clearly visible scale

for simplified symmetrical
alignment

+ Soft memory foam padding

reduces risk of pressure injury
and compartment syndrome

Higher weight
capacity compared
to market-leading
stirrups

Available in
227kg & 360kg
patient weight
